What can WE do for YOU?

Our goal is to make the very most of your membership experience! With that being said, we would love to hear from our members themselves as to what they feel will benefit them most! Currently all Bad Axe Chamber of Commerce members receive the following: welcome e-mail, monthly updates/meeting reminders, CofC logo window decal, business info on website, rotation of Facebook "Member Spotlight" & membership listing at all chamber events. In addition, we have elected to condense the amount of sponsorship requests sent throughout the year mailing a single sponsorship opportunity/request form in August which will then encompass our highly attended October through December events. Amongst other things, we also have plans to generate a monthly CofC newsletter, chamber "coupon booklet", yearly membership plaques, re-vamp our website & feature guest speakers at our monthly meetings. **Most importantly we value your feedback, volunteered time & shared talents! Please share your thoughts below...**
